***An Innovative Approach  
to Poverty***

Learn about the root causes of poverty based on scientific evidence.

Learn about this proven program that empowers those you serve and utilize existing resources coordinated across all sectors.

Marcella Wilson, Ph.D. has over 30 years of extensive experience in healthcare administration, nonprofit management, behavioral health, criminal justice and public sector programming.

As CEO and Founder of Transition to Success® (TTS), Wilson is leading a national social change movement based on a demonstrated standard of care to treat poverty as an environmentally-based medical condition- not a character flaw! Dr. Wilson's book, *Diagnosis: Poverty*, defines a scalable, sustainable, measurable, multigenerational response to poverty that can be implemented across health, human services, government, education and faith-based organizations.

Be part of a national movement that empowers individuals and families to become self-sufficient and economically independent.
