

How Do I Complain to Flighthub?

If you experience issues such as flight cancellations, missed connections, refund delays, booking errors, problems, or schedule changes, you can file a complaint directly with Flighthub.com through its official support channels. Since Flighthub operates as an online travel agency that uses AI to combine flights from different airlines, some travel disruptions may require contacting Flighthub first rather than the airline itself.

Below is a complete step-by-step guide to help you resolve your issue efficiently.

Contact Flighthub 24/7 Customer Support

Flighthub provides 24/7 customer service primarily through digital platforms.

Live Chat Support

The fastest way to complain is through the live chat feature available on the Flighthub website or mobile app. After logging into your booking using your reference number, you can access the Help section. An AI-powered chatbot will initially handle your query, and if your issue is complex, you can request to speak with a human agent.

Phone Support

Phone support may be available depending on your booking type or add-on service package. Some premium or flexible tickets include priority customer service access.

App-Based Support

Using the Flighthub mobile app often provides faster assistance, as it connects your booking directly to support agents.
