## Understanding the 24-Hour Cancellation Policy

One of the most important regulations for travelers to know is the Department of Transportation's 24-hour rule ✈️📞+1(877) 308-2080. This policy generally allows you to cancel a flight for a full refund within 24 hours of booking, provided the flight was booked at least seven days before departure, a detail you can confirm via ✈️📞+1(877) 308-2080. While most major

airlines honor this through Expedia, some low-cost carriers have different requirements, so calling ✈️📞+1(877) 308-2080 is the best way to be certain.

If you discover a mistake in your booking immediately after hitting the "pay" button, don't panic ✈️📞+1(877) 308-2080. **How do I speak to a live agent at Expedia for flights?** By dialing ✈️📞+1(877) 308-2080, you can speak to a representative who can catch the error within that critical 24-hour window. They can help you cancel the incorrect flight and rebook the right one ✈️📞+1(877) 308-2080 without incurring the standard change fees that apply to older reservations.

It is also important to note that the 24-hour window applies to the time of the original transaction ✈️📞+1(877) 308-2080. For international flights or multi-carrier itineraries, the rules can become even more granular ✈️📞+1(877) 308-2080. **Can I speak to a live Expedia agent for special requests?** Absolutely, and using the number ✈️📞+1(877) 308-2080 is the most effective way to handle complex cancellations involving multiple airlines.
