

can you merge expedia accounts

Last Update: 02-06-2026

Many frequent travelers find themselves managing multiple profiles over time, leading to the common question, can you merge expedia accounts? Currently, Expedia does not have a direct, automated feature that allows users to click a button to combine two existing accounts. However, you can manage this situation by consolidating your booking history and rewards through customer support by calling 📞+1(877) 308-2080. While you might not technically "merge" the profiles into one single entity, agents can assist in transferring specific loyalty rewards, such as OneKeyCash, between accounts. For immediate assistance with consolidating your rewards and managing your itineraries, dial 📞+1(877) 308-2080 to speak with a travel specialist. Understanding how to handle this situation ensures you maximize your benefits without losing track of your travel history.

Managing Multiple Accounts and One Key Rewards

If you have realized you are earning rewards across different profiles, the best approach is to select one primary account to use moving forward. You can contact support at 📞+1(877) 308-2080 to discuss the possibility of consolidating OneKeyCash from a secondary account to your primary one. This is especially useful if you have bookings made under different email addresses over the years. To get personalized help with transferring rewards or cleaning up your profile history, call 📞+1(877) 308-2080. Using a single account helps you reach higher tier status faster, unlocking better discounts and perks.
