Most users have a limit between \$1 and \$2,000 for Afterpay transactions, though this can vary based on your individual account history with the provider. This means you can still manage your itinerary, request seat upgrades, or add breakfast options through the standard customer portal. If you need to cancel a trip paid via Afterpay, the refund is typically processed back to your Afterpay account, and any future scheduled payments are adjusted or cancelled accordingly.

For those planning a group getaway, calling +1(877) 308-2080 is the best way to coordinate how separate travelers can use their own installment plans. By choosing a "Pay in 4" model, everyone can enjoy the journey now and handle the finances in smaller, predictable bites.
