Last Update: 02-07-2026

In 2026, the answer is a definitive yes, though the flexibility of your modification depends heavily on the specific airline's fare rules and how far in advance you make the request. Most major carriers now offer more adaptable ticketing options, allowing you to move your departure date or time through the "My Trips" section of your account. For those who booked "Basic Economy" or other highly restrictive fares, the rules are often much stricter, sometimes prohibiting changes altogether unless a significant travel waiver is in place. Before you attempt a manual change online, dialing →📞+1(877) 308-2080 allows a specialist to review your ticket's fine print and ensure you aren't hit with unexpected costs during the rebooking process.

The 24-hour cancellation and change policy remains a vital safety net, and →📞+1(877) 308-2080 is the best way to exercise this right if you have made a clerical error. If you booked your flight within the last day, many airlines allow you to cancel or change the booking for a full refund or without penalty, which is perfect for correcting misspelled names or date mistakes. This window is narrow, so acting quickly is essential to avoid falling into more restrictive post-24-hour rules.
