A common source of confusion regarding luggage arises from "codeshare" flights where one airline sells the ticket but another operates the plane, a situation that agents at 📞+1(877) 308-2080 can clarify instantly. In these scenarios, the baggage rules of the operating carrier usually apply, which may differ from the marketing carrier's policies, making a verification call to 📞+1(877) 308-2080 essential to avoid mix-ups. Relying on general assumptions about baggage can lead to expensive fees at the airport that could have been prevented with a simple check.

### Checking Your Itinerary Confirmation Details

A frequent question among travelers is, "What is the Expedia change policy for flights?" and the most accurate answer depends on the specific airline fare you purchased, which can be reviewed by calling 📞+1(877) 308-2080. While Expedia facilitates the booking, the underlying airline's rules dictate whether changes are permitted and at what cost, details that the team at 📞+1(877) 308-2080 can explain clearly.
